Joe Frank Harris Parkway (Hwy 41) Cartersville, Georgia

Volume 10 Issue 3

March 2010

## From the President

The officers training in January was very informative. The CMA is becoming more involved in the manner in which we present ourselves to the general public as representatives of the CMA. We must present a neutral and non intrusive presence in both our attitudes and our dress. When you wear your back patch, you are displaying to the world who you are representing, be sure it is very clear. Remember that the actions of one person can reflect upon an entire group, so be sure that reflection is a good one.

As March approaches the schedule will get busier. I hope that each of us are getting prepared for the riding season so we can fellowship together and have fun while we find ways to minister to the secular motorcycle community. In March, we have a coffee break at the rest stop on I-75 (March 6), and on April 3<sup>rd</sup> the Rockmart Cruise In starts up for the season.

Each of us have talents we can use and we do not all have the same talents. When we combine all of our talents we have a more complete set. It is similar to building a house. You need carpenters, electricians, plumbers, roofers, landscapers, etc. CMA needs a varied group of talents also. We need prayer warriors, evangelists, teachers, servants, etc. We never know which set of talents may be needed when we are ministering, but if we have them on hand it is easy to use them. Some talents are more unique and if you are not there when those are essential then the need does not get met.

*Individually, we are one drop. Together we are an ocean.

*"See you Monday night at the meeting."*

**A Note From The Vice-President:**

Well, I am traveling again, and I am up in Chicago. There was 3 inches of snow yesterday, and more expected over the next few day.

A few inches of snow up here is nothing. It takes a foot of snow overnight to cause a problem up here.

I heard I missed a good time at SOR and also missed a nice weekend to ride. O well, there will be more.

We are about to start up the events for the year with the Daytona Coffee Break this coming weekend. I hope everyone that can will come out and help. Janis and myself will not be able to get there until after lunch.

You never know what you will see and who you may talk to. A couple of years ago, we talked to a gentleman that has left that morning from Chicago. What made it special, was he only had 1 leg and rode a normal motorcycle. Think about it.

Next Month, we will start having the Rockmart Cruise In every month. This is a fun event.

I know Murray has some exciting things planed for us also, I just hope I can make it with all the traveling that my work has me doing.

Everyone be safe out there, and watch the cars around you.

*David Wallace*

**Thoughts from the Chaplin . . .**

This past weekend, I attended Seasons of Refreshing. This is my second year going and I had a great time. This year, we had advanced ministry training and the keyword was EVANGELISM. The main points were Who, Why, and how.

The who is us. We signed up and made the commitment to spread the word of God and to "help" change the world, one heart at a time". God laid it on our hearts to go spread the "good word". It is a perfect fit for us. We love motorcycles. And we love the Lord. It has been as important as it has ever been. Have you ever heard that every day, we are closer to Christ's second coming? And the motorcycle world needs Jesus. The time we live in only adds to the importance. And, it is a direct call from God and should be acted upon.

Why? People are lost and separated from God. Our sins drive a wedge between us and the Almighty. Jesus Christ came into the world for the purpose of providing salvation for all of us. God has made a way of salvation for those who will receive it. God prepares for salvation, and God commands us to be involved in evangelism.

How? Thru ragg tracts, bike blessings, and getting out among people to listen and share. The motorcycle is what we have in common. Use it as a way to build a dialogue, but be mindful there is a right way and wrong way.

Just remember that treating people with respect and kindness goes a long way. Just be sure to "BE THERE WHEN THEY NEED US".

Riding for the Son,

*Tom Winterbottom*

**Coffee Break for Daytona Bike Week**

... *“How beautiful are the feet of those who bring good news!” Romans 10:15*

Saturday, February 27th is the day we have our Bike Week Coffee Break. This is a day we have to make an impact or possibly deliver a message to a group of people that we will not normally have the opportunity to contact. I want to encourage each of you to be there. You may never know how the Ragg tract, other tracts, or the Hope for the Highway Bible may make the difference in someone's life. It is often the small things that make the largest impact.

We need members to hand out tracts, serve coffee and water, bless bikes and in general talk with as many people as we can. If you joined the CMA to minister to the motorcycling community then this is great opportunity. I am praying for a large group of servants from the Harvest Riders.

**CMA National Rally (June 15 - 19)**

The National Rally is being held in Hatfield, AR on the above dates. If you are interested in attending and will need a room, then you had better act quick. They are expecting 1,400 people and Mena is the closest town to Iron Mountain where the CMA Headquarters is located. So far Teresa and I and Karl and Karen are planning to go. If you are interested let us know so we can possibly put together a group ride out. They also have a very nice campground if you would prefer to camp. It is on a first come basis for sites.

**Who is Greatest?**

By: John Ogden Sr. (from CMA Devotional Email)  
February 22, 2010

You are from God, little children, and have overcome them, because greater is He who is in you than he who is in the world, (John 4:4).

I would like for you to stop right where you are at, close your eyes and allow the essence of John 4:4 to sink into your spirit. We are God's children and His Spirit is greater than anything we face and we gain confidence in knowing

that He will not only take care of us, but also the issues of life. This is a place of power and victory, knowing that it is not about us, but it is about the life-changing power of Jesus Christ that dwells within us. Through Him we will be more than conquerors. This does not make us prideful or arrogant, but allows us to walk in humility in the authority of the Son of God.

What an awesome thought to realize that for a born again believer, greater is the Spirit of God that dwells within him than anything that this world or Satan can throw at him. There is a condition upon receiving the overcoming power of Jesus Christ. Simply put, we must allow Him to be the Lord and Savior of our life.

We live in a time when much is said about Christians, but little is said about what it takes to become one. Can you name a place and a time when you knelt on your knees, asked Jesus to forgive you of your sins and repented of them? If you have difficulty remembering a place and time, I would ask that you take this time in the quietness of your heart to ask Jesus to come in, take control of your life, to forgive you of your sins and be the Lord of the rest of your life.

All of us face problems and issues in life, but what a great place to know that we will be victorious. There is no need to worry or try to make things happen. We simply need to walk in the anointing and the power of God; after all, Jesus died on the cross, not only that we might be sons of God but that we could take back what Satan had stolen. What has Satan stolen from you?

I believe that the Lord would remind us that it is time for us to reclaim what is rightfully ours through the shed blood of Jesus Christ. As I think about who we are in Christ, my spirit jumps within me. Not because of me, but because the same Spirit of God that moved across the earth and took nothing and made it into something is the very same Spirit that took the nothing in my life and made something according to God's plan. God has commissioned us to take this message of Jesus to a lost and dying world and He would like for us to operate in victory in Him. We are victorious in Jesus.

**TOMORROW?**

Did you ever look back at yesterday and say “I sure wish I would have done . . . “? I think most of have, but have you thought about the fact that today is tomorrow’s yesterday? So the only way to look back on yesterday and feel good about what you have done is to do it today. You are not guaranteed tomorrow!

Many of us will go through our lives saying “as soon as I have time or tomorrow I am going to . . .” Sadly it will never get done, and while some things will not matter, many important things will.

If everything that was put off till tomorrow got done today, we would be so busy we would never be able to do them all. What if you waited till tomorrow to talk to someone about their Salvation and you or they did not make it till tomorrow. What happens then? There is only one day to get things done and that is today. Remember that tomorrow and yesterday are non-work days. So each week the only day you have to work is today. This year we have a lot of tomorrow plans in place and will end up with many yesterday memories, provided we work today. Will you have great memories of yesterday or heavily scheduled tomorrows with little to remember about yesterday?

*“Things today have never been more like yesterday, than they will be tomorrow.”*

*Hilton Taylor*

**SEASONS OF REFRESHING**

If you missed the Seasons of Refreshing you missed a refreshing blessing. Randal Tebeau, our new Southeastern Evangelist, presented our training in a manner that kept your attention while he delivered the message from God. This year was a continuation of last year’s Basic Training. It was all about becoming soldiers for Christ . . .Who, Why and How.

We saw a video of **Ragg Tract Al** and how a simple gesture of handing a Ragg Tract to someone made such a difference in his life. It was his testimony as to how the words written on the Ragg sent a message to his heart and changed his life forever. He was once in a one per-center motorcycle club and now is a valuable member of God’s family and active member of the CMA ministering to motorcyclist.

There was a lot of emphasis on what our goal is and how we are to go out and minister. It was the perfect training to get you ready for the Coffee Break and the upcoming motorcycling season. While the CMA has many facets, our primary goal is ministering to the motorcycle community.

The Harvest Riders were well represented with 17 members and guests attending. We also have two new patched members as an added bonus that will be recognized at this month’s meeting.

This is the kind of participation that we need to be able to make an impact in the Cartersville motorcycling community.

**History of CMA**

The Christian Motorcyclists Association was organized in 1975 by Herb Shreve of Hatfield, Arkansas, for the purpose of reaching the motorcycle world with the Gospel of Jesus Christ. Since that humble beginning, God has poured out His Blessings on the organization and it has steadily grown to over 85,000 nationwide. Jesus said, “Go into the highways and hedges, compelling all to come in that my house might be full.” (Luke 14:23). CMA members across the nation have taken this as their motto. We ride the highways bringing the Good News of Jesus Christ to those who might otherwise never hear of Him. We extend our hand of fellowship to all, letting them know that Jesus loves men and women and desires to heal, forgive, and deliver by His redemptive power.

**Purpose of CMA**

The ministry began with one purpose, sharing the love of Jesus Christ with motorcyclists one heart at a time. Based on this purpose, CMA’s objectives are:

1. **To encourage and conduct, among motorcyclists, public worship and personalized ministry.**
2. **To proclaim, teach, and spread the Gospel of the Lord Jesus Christ.**
3. **To encourage Christian fellowship among motorcyclists.**

**Purpose of CMA Chapters**

The basic purpose of a CMA Chapter is to support the National CMA effort of “sharing and showing the love of Jesus Christ to motorcyclists”, and supporting this ministry through regular financial support to National. In this there is a three-fold purpose:

1. **To provide and encourage members to be active in their testimony and Christian witness to all motorcyclists.**
2. **To provide a Christian Fellowship ride group.**
3. **To provide an evangelistic association for Christian motorcyclists.**

As a member of this ministry, each member will agree to live and act under biblical principles of conduct. These principles should be effective in your daily life, but must be followed whenever a member is wearing the CMA back patch. Many scriptures can be presented to support a godly lifestyle, but use the following passages as an overview: Titus 3:1-11; Gal. 5:13; Matt. 18:15-19; 1 Cor. 6; James 4:1-10

**CMA Ministry Teams**

If you have joined the Christian Motorcyclists Association, there are nine special Ministry Teams on which you can serve the Lord and use your special talents:

- |               |                |                |
|---------------|----------------|----------------|
| 1. Children’s | 2. Hospitality | 3. Music       |
| 4. Prison     | 5. Servants    | 6. Women’s     |
| 7. First Aid  | 8. Mechanical  | 9. Prayer Team |

Pray first and ask the Lord where He would like for you to serve for a year. Whatever ministry you choose to serve in, please get involved! CMA’s goal is to train you to be witnesses of Jesus Christ and go into the biker world and win the lost. If you have questions about any Ministry Team, please let us know.

**Ministry Team Tapes** - We’re proud to be able to assist you by having a library of the ministry tapes available for your use. We do have a copy of each of the ministry team tapes and a workbook for each tape. When you borrow these tapes, please return them to us with a replacement workbook. We ask that you please try to complete the tapes within a month and return them to the librarian. We do have others waiting patiently for their turn to check them out. Please help us out with this by being diligent in getting them completed and returned by the next meeting. Your cooperation is appreciated. If you would like to check out the tapes, please contact Hilton or Teresa Taylor.

**Membership**

The only requirement for becoming a member of CMA is that you be a Christian, having accepted Jesus Christ as your personal Lord and Savior. After joining CMA, we ask that when wearing “colors”, or back patch, that your walk and testimony honor Jesus Christ and cause others to desire what God has done in and for you. There are no annual membership fees, however support of CMA headquarters is expected.
